# About Kingtime leather

Kingtime Leather was founded in 2002 and is located in Wenzhou, the capital of leather goods in China.

Our company is a modern enterprise specialising in the design, production and export of PU leather, velvet, sackcloth and other environmentally friendly material products.

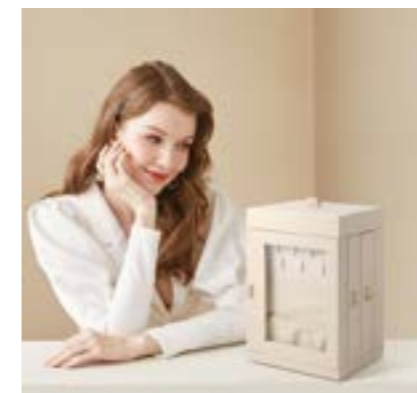

Kingtime has always adhered to the 'craftsmanship quality, global vision' business philosophy.

Our company is committed to provide global customers with high quality, environmentally friendly and fashionably diverse products.

## Brand Position

Craftsmanship Guards Nature, Fashion Embodies Sustainability.  
To be the global leader in eco-friendly fashion accessories, through innovative design and sustainable materials, each jewellery box is not only a vehicle of beauty, but also a commitment to the planet.

### Sustainable Innovation

Reducing resource wastage and carbon emissions in the production process through innovative processes.

### Craftsmanship Excellence

From the selection of materials to the sewing, from the details to the functions, the eco-friendly products also have a high-end texture.

### Global Responsibility

As a China-based, internationally orientated brand, we focus on global environmental issues and drive change in the industry.

## keep innovating

market research

Every year, we continue to launch new products, based on in-depth market research and the fashion trends.

## Channel Management

Service Clients

Comprehensive One-Stop Service From product R&D design, mold manufacturing.

## Maintain innovation and quality

craftsmanship quality, global vision

Stream lined production processes with iso -certified quality control

# KINGTIME LEATHER

## Why Choose Us

**Because you don't just need a supplier!**

**You need a trustworthy partner for sustainable transformation!**

As your trustworthy strategic partner for eco-friendly materials, Kingtime provides one-stop sustainable solutions for global brands with **25 years** of industry experience and innovative technology. We not only have international certificates such as **OEKO-TEX®**, **ROHS**, **REACH**, **CA65**, **6P** and various appearance patents to ensure that your products can travel well in the global market, but also give the recycled materials a high-end texture comparable to genuine leather through PU process, which can help increase brand premium. Kingtime's solutions have helped customers in **50+ countries** achieve compliance, premium growth and product upgrades. The clients we work with are mainly in high-end markets such as Japan and the U.S. We have been working with well-known Japanese brands **Nitori** and **Caniz** for nearly two decades, and we also maintain long-term and stable relationships with international retail giants such as **Walmart**, **Ross** and **Martha** in the U.S., which is highly trusted by our clients. Let Kingtime be the strongest backing for your sustainable transformation!  
- where environmental protection is not only a responsibility, but also a visible business value.

## EFFICIENT AND STABLE

Our factory covers more than 5,000 square meters and is equipped with several production lines, storage areas and offices to optimize processes and space usage.

With more than 100 employees, we operate efficient production lines to meet daily mass production needs. Our dedicated sample room consists of a team of 5 professionals who are responsible for sample production and process design of new products.

**Born in  
2002**

*Relate to nature,  
to yourself,  
to each other.*

## Our Mission

From sourcing **eco-friendly materials** to adopting sustainable production techniques, we are committed to reducing our **ecological footprint** and **living in harmony with the environment**.

In harmony with nature, **Nature** is our muse and we strive to honour her in every step of our creations.

Sackcloth

At Kingtime leather,  
we advocate more than just a product.  
It is also a calm and unhurried  
attitude to life.  
It can accompany you through  
every stage of life.  
Because we believe that true tranquility  
is not the pursuit of external prosperity.  
It's the inner peace of mind.

You can hear her voice in the  
whisper of the warm breeze.  
Summer, calling us to slow down.  
Reminding us that this is the time  
to reconnect moments.

***“Simplicity carried to  
an extreme becomes  
elegance.”***
